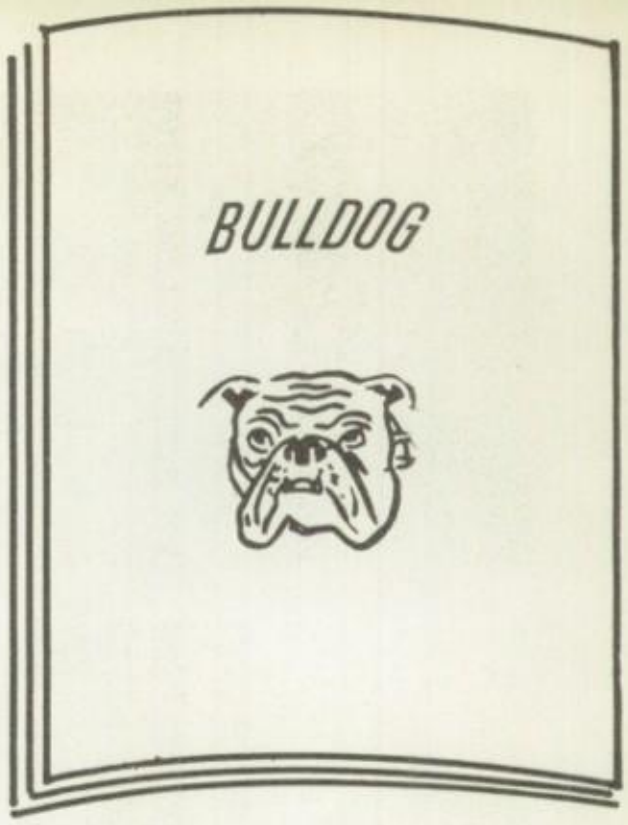
ANNUAL QUEEN – LYNDA WEHUNT LEWIS

EDITOR'S FOREWORD



The yearbook staff of Sulphur High School proudly presents the 1958 edition of the Bulldog.

The Bulldog staff has attempted to preserve for you, the students and the faculty, events that occurred during the academic year of '57-'58. Especially have we tried to review those events which will long be remembered as the most happy occasions.

To you who are seniors, this has been a very important year in your life and one long to be remembered. May this issue be one which will preserve for you the happy memories of your senior year at Sulphur.

The Bulldog staff has worked hard to produce a yearbook that will meet the desires and needs of our Sulphur supporters, subscribers, and advertisers. Our thanks go to all these for their co-operation, and my personal thanks to those members of the staff who have worked so hard helping me in my position.

We hope you enjoy your book and are satisfied with our publication. In later years, while turning these pages, if you should recall the many smiles, sorrows, and dreams of '57-'58, we shall be content, knowing that we have done the thing we were called upon to do.

EDITOR

A MESSAGE FROM THE SUPERINTENDENT

It is a pleasure for me to greet you from this page and suggest a few ideas that may help you in your lives of the present and the future.

I would like to mention a few old fashioned virtues that seem to always hold good for students: HONESTY, INDUSTRY, RESOURCEFULNESS, COURAGE, GOOD MANNERS, ADAPTABILITY, DEPENDABILITY and HARD, HARD WORK. I believe most of our students in the Sulphur High School contain these.

I wish you would remember that everywhere DISCIPLINE is the price of FREEDOM, and PRIVILEGES bring RESPONSIBILITIES.

Your teachers and I will follow your lives after school with much interest. Your success will add to our pleasure and your adversities to our sorrow.

CLASS PROPHECY

The year is 1970. Frank Gibbard, a member of the class of '58, has finally completed his rocket ship, with the help of Dale Clark and Jackie Paxton. He decided, after many hours of deliberation, to call it "Frankie's Fantasy."

Destination Mars! He was so fond of his fellow classmates, he decided to take them along.

Gary Godard, the outstanding and world famous mathematician, has just finished charting the course. Linda (Corner) Godard is keeping the pencils sharpened for Gary while her right-hand man, Judy Hammond, empties the pencil sharpener.

Blast off day arrives and the Seniors of '58 meet at the Tavern. (Where else do you think you'd find us all together?) Everybody's raring to go except Terry Gentry. He can't stop bopping long enough to get in. Merina Rutherford and Lynda Raye Lewis will help Terry hold down the fort here on earth because they can't leave their ever-lovin husbands.

Captain of the ship is Floyd Perryman. John Runyan stands by to make sure that Floyd doesn't attempt to put the top down.

Our ship is powered with the new fuel which was discovered by Kenny Robb and Mary (McClaren) Robb. The discovery was "Grubby" Hurt's tremendous amount of hot air. By the way, the Robb's have a beautiful little daughter, Short, Fat Fanny.

Sue Richards, accompanied by Jimmy Fredrickson, provides the entertainment for the trip. She puts on a show six times daily just like she did back in old SHS Jimmy plays the piano by - you guessed it! Flashlight. He thinks candelabras are old-fashioned. Ken Kirby, the doorman, has borrowed Jim's favorite expression, "No Free Shows."

Of course, we have to have food on our trip, so we chose Carol Parker and Linda Lu Lewis to be our culinary artists. When we reach Mars, Carol and David Gardner plan to set up housekeeping.

We lost Mary Allen on the way up. She couldn't stand the thought of life without Smitty, so she bailed out. We forgot to tell her we didn't bring any parachutes.

We made a big splash when we arrived. Gary has miscalculated and landed us in a canal! We weren't the ones to give up, so everyone just went for a swim.

Lyle Brooks really got on a stick and started building a main street because Flo can't get along without a main to drag.

We must have a Drive-in so Patsy Lance kept the family tradition and built Lance's Dairy Drip. Glenda Callaway manages the place. Chief car hop is Pansy Watson. Her helpers are Carolyn Watson, Margaret Pope, Almeda Day, and Sarah Black.

Several others caught the building fever. "P.D.'s Paradise" was soon flourishing. The specialty of the house is "Danyeur's Dynamic Delight." The floor show is the swinginest! Dee Jack and Sue Gulleckson play hot saxophones while Pat Clark sings her little heart out.

CLASS PROPHECY

Not to be outdone by Paul, Bob Donaho opened a gambling casino across the street. Of course, it has to be called "Do Do's Dive." The "Shady Shufflers" are Herby Howe, Dwight Brown, and Johnie Reed. They pack a mean deck.

Edgar Smith's addition to our little city was a furniture store. Joe Wright and Allan Wynn are his salesmen. Allan slaves seven days a week saving his 12 1/2¢ an hour, so he and Phyllis can get married. Joe, a confirmed bachelor, is saving his earnings so he can go into the Bachelor Button business. Smith's store furnishes Sue and Jr. Barton with their baby beds. (They buy a new one every year.) Jimson Nelson and his wife, Wilma are also good customers.

Fred Miller is head salesman for our most prosperous factory "Spindle's Doorknobs." They've made Pat a fancy free millionaire.

We are sorry to say that one of our group didn't seem to like Mars. She is taking the only way out; walking the tight rope back home. (Jeannie missed the green oldsmobile.)

Leo West may be seen any afternoon puttering around in his little garden. It seems he and his wife, the former Flora Del Cotter, met through a mutual interest of the "sweetpea."

Meanwhile back at the ranch. Betsy Lewis has staked out three million acres. She calls this little jewel "Slokum's Stables." Paul Horton, Jerry Cagle, and Don Kirby are her cowpunchers. Don has just perfected a herd of mechanical cows. Punch a button and they give coke. Whoever heard of teenagers drinking milk?

Station M-A-R-Z, located atop beautiful Mount Bromide, is owned and operated by Colonel Joe Hilliard. His Disk Jockey is Steve Dilbeck. "The Symphony Hour", on every day from 4:00-5:00, features Sue Kahlor, violinist, and Pat Stephens, flutist. The cats really dig that jive.

Poor Sharon just couldn't stand the trip. We had to build an old folks home for her when we arrived. We call it "Granny's Gables."

As everybody knows, no town is complete without a school. The school we built for our children is SLIGHTLY different from our old Alma Mater. David Cox, our dignified principal, has declared there will be fifty-five minute coke breaks and five minute classes. The school candy store is run by Benny Shelton. "My Stars! How can Mars make such wonderful candy bars?" Study hall is now known as "Dance Hall." Donnie Thomison and Don Coyle conduct this class. Jan Spradling is the music teacher. She always did like to direct the chorus. Glenda Vannoy is the wrestling coach.

Lectures on "How to Overcome Your Shyness", by Brenda Stover and "Love-Making in Public" by Linda Scott Gibbard are given each week. Rita Hill, who was always so fond of speech in high school has taken over the speech department. She also conducts special classes in "How to Make Young Servicemen Feel at Home. Physical Development for Girls is taught by Billy Jack Moore. That was always what he wanted most in life - lots of girls.

Bernice Vickrey and Diane Wrenn are the truant officers. They are experts at finding the hangouts of hooky-players since they had so much experience during high school.

Our Board of Education is still lying down on the job. Bob Chaffin, President makes three speeches a day on "Why Seniors Shouldn't Take Trips." George Lee, Vice-President and other members, Harold Cauldle, Kenny Lowrance, and Dewey Beavers agree with him 100%.

CLASS HISTORY

The class of '58 has the distinction of being the largest graduating class in the history of SHS. We are proud to say that we have stuck together and won more honors than any one other class in our school history. Proudly and humbly we submit this history of our class.

We were a confident and sassy group as we marched up the steps of Washington and Cameron. Jr. Barton, Lyle Brooks, Glenda Callaway, Bob Chaffin, Flora Del Cotter, Terry Gentry, Lynda Lu Lewis, Kenny Lowrance, Kenny Robb, Linda Scott, Bernice Vickrey, Diane Wrenn, Allan Wynn, and last but not least, David Cox, started their school careers at Cameron.

Washington had such scholars as Wilma Brown, Jerry Cagle, Rita Hill, Jimmy Hurt, Sharon Johnson, Don Kirby, Jim Fredrickson, Gary Godard, Lynda Wehunt Lewis, Carol Parker, Sue Richards, John Runyan, Pat Spindle, and Jan Spradling. Jimmy Hurt had, and still has, a wonderful talent for driving teachers crazy. His favorite method of torturing Mrs. King was throwing his books out the window and then telling her he had lost them.

Some of the kids didn't seem to like Sulphur. Jr. Barton moved to Barnsdale, John Runyan to Joy, and Gary Godard left us to go to Oklahoma City.

In the second grade Cameron gained Dwight Brown from Wapanucka, Pat Stephens from Skiatook, and Sharon Johnson decided to see how she liked things over Cameron way. Glenda Callaway took Sharon's place at Washington.

Washington gained Pat Clark from Stillwater, John Runyan back from Joy, and Glenda Vannoy from Oklahoma City in the third grade. Cameron gained Sue Kahlor from Palmer, Carolyn Watson from Drake, and Jr. Barton back from Barnsdale. Carolyn Watson, being slightly foot-loose, soon left for Arizona. David Cox seems to have been quite a little rascal that year. His mother always had to keep him in after school and give him paddlings.

We finally learned enough of our multiplication tables to be pushed on to the fourth. This year we gained Mary Allen from Oklahoma City, Sue Pauley from Lawton, and Carolyn Watson back from Arizona. Jr. Barton came back to Washington and Billy Jack Moore came from Asher. This year it was popular to pay the boys to like you, especially with Sharon Johnson.

We started our fifth year with a big fight between Pat Spindle and Jan. It seems Billy Jack was quite a handsome devil, and both girls wanted him to be their boyfriend. Jan won, but soon threw him over for Gary. Lyle Brooks and Glenda Vannoy moved to Washington and little fat Flo White came from Davis. Betsy Lewis also enrolled at Washington, coming from Granite. The great Bob Do-Do Donaho moved from Arizona to go to Cameron. Our only loss this year was Gary to Rocky, Okla. This was also the "Romance Year" at Cameron. Diane and Paul Danyeur started going steady and didn't break up for two years!

Ah! Our last year in grade school. Washington gained Dewey Beavers from Ada, Jeanne Gallemore from Muskogee, Brenda Stover from Wanette, Almeda Day from Big Canyon, and Gary back from Rocky. Betsy Lewis went to Cameron one day and decided she didn't like it, so she went back to Washington. Sue Richards, Rita, Jerry Cagle, and Lyle went back to Cameron. Also moving to Cameron were Don Coyle from California, Phyllis Coats from Iona, and Jimson Nelson from Hickory. Carol Parker left for Oklahoma City. Poor Lyle! Mary Allen didn't seem to appreciate him, even with his good looks. He ran into her trying to catch a baseball at recess, and she slapped him for it.

The seventh grade was quite the year. The bitter enemies were about to get together under one roof. We didn't stay enemies very long. After a few weeks we began speaking to one another and we were soon real good friends. To prove it, when a Washington girl, Jan Spradling, ran for football queen we ALL worked our

hearts out and came in fourth! We were proud ones. We also gained some good kids this year. Carol Parker came back from Oklahoma City, Kenny Kirby and Donnie Thomison from Nebo, and Benny Shelton from Anadarko. Gary had another change of temperament and moved to Texas.

The eighth grade was also a busy year. Sue Kahlor ran for football queen and we came in fourth again. Benny Shelton went back to Anadarko and Gary came back from the great state of Texas. We lost Billy Jack Moore to Oklahoma City and Almeda Day to Elgin. Frank Gibbard was with us for half a year. He left us for Tokyo, Japan.

Ninth grade - We finally made it to high school and thought we were quite the stuff! Johnie Reed left us to go to Duncan but came back after six weeks. Joe Wright joined us from Pauls Valley, Joe Hilliard from Texas, Fred Miller from Hickory, Sue Fisher Barton from Oklahoma City, George Lee from Chigley, and Benny Shelton came from Duncan. Dee Jack went back to Morenci, Arizona. We started our winning streak by capturing the title of Jr. High Football Queen for Sharon Johnson.

Our Sophomore days were the most exciting and prosperous of them all. We won the football queen race with over $500, more than any other class had ever raised. Needless to say, we were very proud of our class and our candidate, Lynda Raye! We also won Annual Queen and Sue Richards was Band Queen and Mary Allen, Rodeo Sweetheart. All the twirlers were Sophomores.

Since we had succeeded in so many other things, we thought we would try our luck in the Student Council. We ran David Cox for Vice-President and won! Along with this profitable year came some new students. Pansy Watson and Patsy Lance came from Daugherty, Mary McClaren came from Fairland, Merina Carter from Carnegie, Linda Corner from Holdenville, Sarah Black from Davis, and Johnie Reed came from Comanche, but moved back after six weeks. We lost Jerry Cagle to Muskogee.

Jerry Cagle came back to us in our Junior year and we lost Merina Carter and gained Merina Rutherford. We also gained some kids from overseas. Judy Hammond came from Bermuda, Dale Clark and Frank Gibbard from Japan. Frank went to Germany the last part of the year.

We captured a few honors this year also. Linda Scott was Band Queen and we invaded the Student Council. Lyle Brooks was President, Fred Miller, Veep, Patsy Lance, Sec.-Treas., and Pat Spindle, Editor. Lyle was also F. H. A. Beau. We decided old SHS needed a change of pace so we put on a Rock and Roll Show, starring Elvis Presley and LaVerne Baker, otherwise known today as Mr. and Mrs. Jr. Barton. Our final touch of the year was the Jr.-Sr. Banquet, so beautiful that it will never be forgotten by those who attended.

Our last year in High School. We have the distinction of being the first un-dignified class to graduate from SHS!

The six additions to our class this year are: Margrett Pope from Ravia, Dee Jack from Arizona, Edgar Smith from Healdton, Steve Dilbeck from Roff, Billy Jack Moore from California, and Harold Caudle from Ardmore. Some of the girls were lucky enough to change their names. Sue Fisher became Sue Barton, Lynda Wehunt, Lynda Lewis, and Sue Pauley, Sue Gulleckson.

Both semesters of this year seniors held all the Student Council offices. All the cheerleaders were seniors, Sue Richards was Letterman's Club Sweetheart, Lynda Raye Lewis-Annual Queen, Pat Spindle-Football Queen, Jan Spradling-Editor of the Bulldog, Gary Godard-Pres. Letterman's Club, Pat Spindle-Pres. Vocal Dept., Jackie Paxton-Pres. Band and Key Club, Sharon Johnson-Pres. F. H. A., and Kenny Lowrance-Pres. F. F. A. Five other officers of F. H. A. and six other officers of F. F. A. were also seniors. Allan Wynn was F. H. A. Beau.
